5. During the selection process, I will search for Cadets who have shown a willingness to serve, the ability to lead, and the determination that is needed to persevere through adversity. All applicants should be highly motivated and be well-rounded with an ample amount of experience behind them. Leading up to, and during the Encampment, we will focus on raising the standards. To that end, all prospective Cadet Staff Members should note that the standards during the Encampment will not only be met; but, they *will* be exceeded. If you are ready to take up this call and contribute 125% or more of your effort, I respectfully ask for your application.

6. Cadet Staff Positions for the 2009 Alaska Wing Summer Encampment include: (1) Cadet Commander; (2) Deputy Cadet Commander; (3) Cadet Executive Officer; (4) Cadet Safety Officer; (4) Cadet First Sergeant; (5) Cadet Flight Commander; (6) Cadet Flight Sergeant; and (7) Cadet Support Staff (*i.e.*, Standardization and Evaluation Members; Medical; Public Affairs; Logistics; Administration; and Communications).
